door decor

We're making CCS a little more festive and fun for the students this year. Your room parents will be reaching out soon with more Information, and asking for volunteers to help with decorating. ALL classroom doors should be decorated BY OCTOBER 31st. If you would like to volunteer, please reach out to your room parent!

costumes & themes

Please remember that this is a Catholic school. Your childrens' costumes should be age appropriate, weapon-free, no scary elements, no masks, no blood, no gore. Students NOT dresses appropriately will not be allowed to participate. The themes for the carnival and trunk-or-treat should also follow the same guidelines. **All games and booths MUST be approved by the Room Parent Coordinator, so plan ahead!**

the games & trunk or treat

The carnival you all know and love is still happening! Some classes have doubled up, and some are single based on the number of students. Either way, each class (or classes) will have a booth with a game AND a decorated car trunk for the students to trunk-or-treat at! The PTO will also have a game booth as well. The trunk-or-treat setup will begin early, and hopefully make the playground look a bit more festive during the parade. **If you are Interested In volunteering, please reach out to your room parents. SERVICE HOURS ARE AVAILABLE!** If you are planning to volunteer for the carnival or on-campus for trunk or treat, you should be VIRTUS Trained and fingerprinted.
